Dear ~~Dr. McCallister~~ Harmon:

The 23rd Annual Pharmacology Research Colloquium involving graduate students of Michigan State University, Wayne State University, the Medical College of Ohio, and The University of Michigan, will be held in Ann Arbor on Friday, June 16, 1995.

We are seeking your assistance in support of this program by providing a portion of the financial funding that is necessary for the success of the meeting. We hope that you can assist us by encouraging your company to subsidize part of our costs with a monetary gift. Any sum that you find suitable would be most appreciated and would be used to pay for the meeting space, luncheon, printed materials, and refreshments during the breaks.

If the contribution can be arranged, I would appreciate it if the check were made payable to the Department of Pharmacology and sent to the following address:

Department of Pharmacology
The University of Michigan
1301 Medical Science Research Building III
1150 West Medical Center Drive
Ann Arbor, MI 48109-0632

I hope you will be able to inform us of a decision at your earliest convenience so that we can acknowledge your company's support in the Colloquium Program. Please accept my thanks in advance for your help, and my invitation to attend the scientific presentations and to be our guest at the banquet that follows. I will send you a program as soon as one is available. You may contact me by phone, (313) 764-8166, if you should have any questions. Thank you for your consideration.

Sincerely,

Paul
